Tuesday 27th November 11am – 3pm

Place: Nuneaton Town Hall, Coton Road, Nuneaton CV11 5AA

All are welcome!

CSW Broadband and Nuneaton and Bedworth Borough Council will be jointly organising a **Gigabit Voucher Scheme** Event.

This will take a “marketplace” format with a number of infrastructure suppliers present.

This is an opportunity for local businesses and residents to find out how you could get Government support to bring full-fibre broadband with speeds of 100Mb to 1Gb (1000Mb) to your home/business/community.

The Gigabit Voucher Scheme is supplier-led, so this is a chance for you to ask any questions you may have and to learn which suppliers would be best placed to help you. For more information

Further details about the Gigabit Voucher Scheme can be found at:

Please note: Neither CSW Broadband or Nuneaton and Bedworth Borough Council are able to answer questions about the scheme, which is administered by Central Government.

This event is being held as part of the Coventry & Warwickshire Business Festival which is taking place between 19th - 30th November 2018. For information on other Business Festival events visit - <https://cwbusinessfestival.com>
