Based at Rugby Police Station, the Rugby Rural North Safer Neighbourhood Team focus on providing a dedicated support and resolution role, working with partner agencies and individuals within the community to identify and solve concerns that affect their locality.

Our policing area has strategic road links with the M6, A5 and M69 passing through. Local officers, with support tackle the criminals that travel those routes with a view to making communities safer from the threat of harm. The area is mostly made up of rural and village communities which bring their own unique demands.

We focus work around high risk and prolific offenders and our Neighbourhood Teams will:

- Engage with communities and partners to innovate, identify opportunities and create sustainable solutions to local problems.
- Work with partners and communities to tackle the harm caused by crime and anti-social behaviour.
 - Be visible, accessible and accountable to local communities.
 - Engage with the Community Forum process and address priority concerns.
- Seek to identify those at most risk of harm and support them through appropriate interventions.
- Engage with young people and deliver prevention and early intervention activities in partnership with local schools.

Your local policing team

Inspector 1598 Karen McClay – Rugby Borough SNT

Sergeant 0948 Sarah Masters – SNT Sergeant for Rugby Town West and Rural

Sergeant 1906 Stu Baker – SNT Sergeant for Rugby Town Centre & North

PCSO 6152 Sharon Bailie-Crabtree – Rugby Rural North

The team would like to welcome Karen McClay to the Rugby SNT Team. Karen landed earlier this month to cover the secondment of Insp Karl Faulkner who is working on a force-project. Karen brings a wealth of frontline policing experience to this new role and will be an asset to the team.

Introduction

Welcome to the July issue of the Rural North Newsletter. This is the first time I (PCSO 6152 Sharon Bailie-Crabtree) have had a go at doing the Rugby Rural North Newsletter so please be kind to me until I find my feet!

Property Marking Events

PCSO Sharon Bailie-Crabtree and Rural Watch Coordinator Carol Cotterill have been out property marking at Churchover and Wolvey on June 18th.

We were expecting a poor turn out, as we didn't realise that we had planned the event on during England's first game in the World Cup! surprisingly we had a good turn out - I'm sure people were visiting just to see Carol as she is always so lovely and enthusiastic in giving out her rural security advice.

I (Sharon) also attended the Willey Street Fete on July 2nd with Special Deputy Chief Officer Katherine Hancock and Special Inspector Robert Forsyth. It was lovely to chat up with so many local residents' some on which I haven't met up with for some time.

Summer Security Advice

Airing your home with windows and doors open now the nice weather is here? Make sure they are locked back up, even if you are just popping out and make sure, if you are out enjoying the garden, the front doors and windows are secure.

It's been a glorious day today and many have been making the most of the outdoors, make sure all garden tools and garden toys are put away securely at the end of the day.

The security of your outbuildings, such as sheds and garages, often takes second place to securing your home. However, sheds and garages can contain high value items such as bicycles, gardening equipment and tools. Think about what you store in your outbuildings and add up the value - how much would you lose if your shed or garage was broken into and how inconvenient would that be?

A few simple, relatively cheap measures will help secure outbuildings and deter would-be thieves.

Avoid storing valuable items like power tools and golf clubs in your shed. These items should be kept inside your home or a secure garage.

Remember to lock your shed or garage after use.

Secure shed doors by fitting a strong hasp and staple (also called a 'padbar'). Secure this with coach bolts and lock the hasp over the staple with a closed shackle padlock.

Secure shed door hinges with coach bolts or non-returnable screws.
