

## **NEW YEAR BIN COLLECTION DATES FOR THE WOLVEY AREA**

Bins should be placed on the **road side of your home by 7:30am on the day of collection.**

Rugby is changing our waste collection schedules over the Christmas and New Year period; originally they intended to suspend the green bin collection until March 2017 but they are now reintroducing the green bin collections from week beginning 23<sup>rd</sup> January 2017. This change was needed in order to make sure every household received a waste collection over Christmas, and to reconfigure our waste collection rounds.

**The last green bin collection was in the week beginning 5 December 2016.** Collections will restart week beginning January 23<sup>rd</sup> or week beginning January 30<sup>th</sup>, depending on the collection round.

**The next black bin collection will be in the week beginning 2 January 2017,** but we cannot accept garden waste in the black bin.
