QUALITY
PARISH
COUNCIL

1st July, 2014

WOLVEY PARISH COUNCIL would like to inform all residents that there is a current planning application for a 60 metres high meteorological mast on **LAND AT WOLVEY WOLDS, WOLDS LANE, WOLVEY.**
Planning application Reference: R14/1106

Please Note: Although this is a pre-requisite to a proposed subsequent application for a wind farm of 7 turbines on this site, objections cannot be raised on this basis. The application for a meteorological mast must be considered on its own merits.

Details of the planning application are available to view on the village notice board in the Square. Or plans can be viewed at www.planningportal.rugby.gov.uk

If residents feel strongly about this and wish to object there is a very limited time on which to do so. All comments must be sent to Rugby Borough Council planning department by

Monday 31st July

All responses should include the planning reference **R14/1106** and can be sent by email to Nathan.Lowde@rugby.gov.uk or in the post to:

Nathan Lowde
Rugby Borough Council
Town Hall
Evreux Way
Rugby, CV21 2RR

Please note that only relevant planning issues will be considered.
Some suggestions for matters you might wish to comment on include:

- Compliance with approved planning policies
- Inappropriate development in the Green Belt
- Character of the area
- Noise and disturbance
- Traffic generation and access
- Impact on the rural landscape
