We want to know what is important to you! This is your chance to get involved in the development of Wolvey

## THEME GROUP LAUNCH

Friday 17 February 2017 7:00 – 8:30 pm  
Wolvey Village Hall

The Neighbourhood Plan Advisory Committee is setting up 3 'Theme Groups' to look in detail at how Wolvey should develop up to 2031. Come and get involved!

- Are you interested in housing issues – design, heritage etc?
- What safeguards should be in place for the environment?
- What can be done to improve traffic and transport?
- Do we need more community facilities?

**Come and help shape Wolvey and make sure it remains a great place to live and work!**
