

Community Speed Watch

Wolvey Parish Council is supporting the introduction of Community Speed Watch in Wolvey. Community Speed Watch is a national scheme to help people reduce traffic speeding through their neighbourhood by monitoring speeds of vehicles using speed detection devices. This is done with the support of the Police who will provide the appropriate training for volunteers. If you are interested in joining in with this initiative, please contact the Parish Clerk – Jackie Essex on 024 7661 1112 or email parishclerk@wolvey.org
