

WRCC Energy

WRCC Energy is an oil buying syndicate run by a local charity to help members save on their heating bills. We have ordered nearly 6.5 million litres of heating oil, saving over £355,000 against average prices quoted at the time of order (5 pence per litre).

WRCC is a registered charity No.1081017 and a Company Limited by Guarantee in England and Wales No. 3930819

WRCC is a local registered charity supporting residents in Warwickshire. We run an oil syndicate helping people who are off the mains gas supply network obtain very competitive prices on their heating oil. As winter approaches we hope to reach as many residents as possible for them to consider becoming a member of the syndicate and benefit from the consistently lower prices we achieve.

Becoming a member is easy and free of charge. Orders are placed monthly either online or over the phone. We deal with the negotiations, which removes the hassle from members. We have been running the syndicate since 2012 and have an excellent track record for securing cheaper than average quoted prices.

Our [website](http://www.wrccenergy.org.uk) offers further information about the syndicate and membership. Should you have any queries about the syndicate please contact Sharn on 01789 472619 or via email energy@wrccrural.org.uk.
