

Temple Farm

A complex, multi-period farmhouse of various dates up to the early 20th century; the oldest part is probably the 15th or 16th century stone chimney. Occupies or is very close to the site of a medieval manor house, which is represented within the farmhouse's *setting* by house platform earthworks, fishponds and other features.

[PHOTO NEEDED]

Age		Largely 18th and 19th century with older elements
Rarity	High	Probably the oldest farmhouse in the parish
Aesthetic Value	Moderate?	?later 20 th century render and windows to one elevation of this generally good 18 th century farmhouse

Group Value	High	Central component of farmhouse, yard and outbuildings with surrounding 'medieval' landscape
Evidential Value	High	In Warwickshire historic environment record
Historic Association	High	On site of medieval manor house with associations to Knights Templar
Archaeological Interest	High	Associated with a group of medieval earthworks
Designed Landscapes	Medium	Part of an area of 'parkland' with ornamental trees and grazing land leading to the banks of the River Smite
Landmark Status	Medium	A highly valued feature of the local built environment
Social & Communal Value	Medium	Holiday accommodation as a bed & breakfast business
