Parish Councils are the lowest level of local government closest to the people and the work of its members is at the heart of the community. Its job is to represent the interests of the people of the village, deliver services to meet local needs and carry out work that generally improves the quality of life for all in the Parish.

To do that, the members of the Council are elected from local people who understand local issues. The term of office for Wolvey Parish Council ended in May 2014, therefore a new Parish Council needed to be elected.

Seven nominations were received to fill the seven seats on Wolvey Parish Council, which meant that there was no need for a poll and all seven nominees were elected to the Parish Council. If more than seven people had been nominated then there would have been a poll for the Parish Council at the same time as the Borough Council and European election.

We are now fortunate to have a full complement of Councillors who are all enthusiastic and committed to improving life for Wolvey people. Also, as we have a full Council, it fulfils the requirements for the General Power of Competence, which is important as it enables the Council to have more power to do the things it considers will benefit local residents.

The new Wolvey Parish Council elected for a term of two years is:

- Ruth Buswell  01455 221324
- Andrew Dixon  01455 220771
- John Hardman  01455 220252
- Dee Kenrick  01455 221782
- Bozena Kuncewicz  01455 220771
- Clare Nixon  01455 220639
- Keith Orchard  01455 220688

Parish Council Action Plan - in Action

The Parish Council is always busy addressing routine matters such as responding to planning applications, managing the budget, providing street lighting and ensuring two way effective communication with Wolvey residents. However, we are also keen to meet the needs of residents and be pro-active in planning actions that will enhance the community’s well being and the environment in which we live.

To this end a Drop-in-Day was held in May and questionnaires were delivered to all households to help gather the views of residents and identify possible priorities for the Council.

92 questionnaires were returned and thank you to everyone who filled one in. The results were used to help the Parish Council draw up an Action Plan up to the end of 2015. (This is inserted into this Newsletter.) Some of the actions are to determine the feasibility of projects. If a project meets this criteria, there is scope to create a further action to be implemented by December 2015.

The Action Plan was ratified at July’s PC meeting and in order to monitor progress it will be a standing agenda item for Parish Council meetings. The collated results are available on the web site.

We were also pleased at the number of residents who volunteered their services for participating in:

- The Neighbourhood Watch;
- Crisis and Emergency response Team;
- Driving a Community Dial a Ride mini bus and/or car;
- Voluntary car schemes;
- A Buddy Scheme;
- Volunteer Litter Picks and the Wolvey Environment Group.

Councillors are in the process of contacting the volunteers. However, a number of residents ticked the boxes to say that they would like to be part of one or more of the above schemes but did not leave their contact details.

If you are one of these residents, please contact the Clerk. Likewise, make contact if you did not fill in a questionnaire but would like get involved.
The ability to access high speed broadband is fast becoming an essential part of modern life and the lack of it continues to cause difficulties for many rural communities, including Wolvey. The CSW (Coventry, Solihull & Warwickshire) Broadband project is continuing to seek funding to tackle this problem.

Wolvey is currently partly scheduled for upgrade to faster broadband in the phase that is to run from April 2015 (each phase lasts for approximately 12 months). Unfortunately, current funding is insufficient to cover the whole of the area, because some places are more challenging. This means that parts of the village and the whole of Wolvey Heath will not be upgraded until additional funding is available. The Government has announced additional funds of £3.68m to take superfast broadband coverage up to 95% and Warwickshire County Council has approved match funding for this to cover Warwickshire.

Further funding is also being sought, but it will not be known which areas will benefit until the procurement is complete and modelling work has been carried out, which will be around spring next year. The CSW team is still actively working towards the EU 2020 targets of 100% coverage at a minimum of 30Mbps – which is higher than the current superfast speed of 24Mbps and so achieving this will be quite a challenge!!

As part of this process, a public consultation is due to begin at the start of August.

It is vital to get as many responses as possible to get the most effective outcome from the new funding.

For more information about the consultation, or to submit your response once it has opened, visit: http://www.csww宽带.org.uk/whats-happening/procurement-2014/public-consultation

More information about the rollout of the project providing superfast Broadband across Warwickshire can be found at: http://www.csww宽带.org.uk

---

**Local Oil Syndicate goes from strength to strength**

It was decided that ‘Warwickshire Community Oil & LPG Syndicate’ had become rather a mouthful so it has been changed to Energy Warwickshire with a dedicated website at www.energywarwickshire.org.uk.

Anyone who is interested in cheaper oil can now both sign up and place an order at their own convenience. Look out for new posters too.

The syndicate has been able to reduce the price of bulk LPG from an already low 43p per litre to just 41p per litre with a £100 fuel discount for new domestic members. People power works!

This is what members have achieved over the last couple of months, paying just 51.95ppl in March and less than 50ppl in April. Over the last 12 months, our members have saved an average of over £52 per 1000 litres against the average market price and a whopping £142 against the market high.

**How does your oil supplier measure up?**

Over the last 12 months, our members have saved an average of over £52 per 1000 litres against the average market price and a whopping £142 against the market high. It was decided that ‘Warwickshire Community Oil & LPG Syndicate’ had become rather a mouthful so it has been changed to Energy Warwickshire with a dedicated website at www.energywarwickshire.org.uk.

**Help Blow the Whistle on Dog Fouling**

If you would like to help fight the menace of dog fouling in and around Wolvey, why not consider becoming a Volunteer Dog Warden.

Rugby is looking for volunteers who can help keep our communities clean and safe. When you’re out and about, just keep an eye out for dog fouling or other environmental crimes, such as fly-tipping or graffiti.

When you sign up to become a volunteer dog warden, you’ll receive a visit from a member of the dog warden team and a welcome pack. The welcome pack includes information to help you understand the role, posters to put up in your neighbourhood, and a few goodies to help you help Wolvey become a dog mess free zone!

So, if you want to make a difference and help rid Wolvey of dog fouling, sign up to become a volunteer dog warden by calling the environmental protection team on (01788) 533857 or email EPT@rugby.gov.uk

Residents can also report dog fouling using the same contact details above, or by completing a form available from the Parish Clerk. When reporting dog fouling incidents, residents should include details of when and where the incident took place, together with a description of the dog and/or the owner.

**A message for dog owners:**

Did you know? Dog owners who fail to clean up after their dog face an £80 fixed penalty notice.

Failure to pay the notice could result in prosecution, with a maximum fine of £1,000.

So come on dog owners, remember to pick up after your dog so your bank balance can remain healthy!
Back to the Future - The Lengthsman Returns

In past times villages and parishes employed a Lengthsman to maintain sections of roads, tracks or paths before County Councils took over this responsibility.

Wolvey Parish Council is to participate in a two year trial using County Council funding to return these tasks to a local level. It is difficult for County Councils to respond to individual requests to deal with problems at a time of ever tightening budgets. This scheme is intended to be both cost saving and more responsive to requests for works from residents.

Works already agreed by the Parish Council include weed spraying on roads in the village, clearing overgrown pathways, and cleaning road signs throughout the Parish area.

If you are aware of a problem that could be dealt with under the Lengthsman Scheme, please contact Margaret Cartwright, Parish Clerk.

Under the Boardwalk - WEG Get to Grips with Repairs

The boardwalk in the Reserve is showing some signs of wear, and needs some treads changing. The replacements have been delivered free of charge by the original supplier. This means that the boardwalk will be closed for a short time, while the repairs take place. Hopefully it will not take too long, the difficult bit is removing the damaged treads, they are actually designed to resist any efforts to remove them, so it won’t be easy!

In early July, the WEG held a Mini Open Day in the Wetland, a few visitors came, many WEG members were present, we made tea and coffee, took food for sharing, and spent a very pleasant few hours chatting and planning our next tasks, which was very civilized and highly enjoyable.

The baskets and troughs in the Village Square look great again this year, a new challenge was to create an edible border, to meet the criteria for the Rugby In Bloom Competition. Well, we rose to the challenge and it turned out well. The judges were impressed and particularly liked the mosaics on the plinth in the square, so hopefully yet another award will be coming our way in September.

The group’s next task is to help with the WWI Event, and then to choose the Christmas Tree for this year. We are always looking for new members. Despite some people who attended the Open Day saying they would like to join WEG, they did not take up the invitation to join us at our last meeting. It is a diverse and interesting group, with many skills, and we help to keep this village green and clean, so if you think you would like to help us, please ring Ruth on 221324 for details of our next meeting.

Canal and Roller Coasting among YC Activities

Wolvey Youth Club has been up and running for a over year and a half and has established a regular membership of young people of both genders across the age range (11-18 years). The Club usually meets every third Monday in the month, at the Village Hall, 7.15pm – 9pm.

Activities are suggested and planned by young people reps. These have involved trips like the day on a canal boat where members took turns at the tiller, operated the locks and cooked their own meals and a recent outing to Drayton Manor Park. Members have also been busy assisting at village community events.

Other regular activities over the last eighteen months have ranged from table tennis, touch rugby, badminton, football, uni-hockey, martial arts, zumba, tai chi, ukulele playing, cooking, illustration, crafts, and are often supported by specialist experts.

The Club has been fortunate to have excellent, committed and hard-working volunteer youth workers/leaders, but is keen to develop its engagement with young people and recruit further voluntary youth workers. Training is available, through Warwickshire Association of Youth Clubs along with the relevant safeguarding checks required for working with young people.

Volunteering as a youth worker means supporting and challenging young people to get the best from their leisure time activities and help them to develop life skills. It can also be a useful addition to a CV. There are also vacancies on the Club’s Management Committee if you feel able to commit to 3 or 4 meetings a year and perhaps take on a voluntary role, such as Secretary.

Girl Power! Shara, Megan and Cerys operating the locks at Hilmorton

Navigating ‘Jenny Wren’ through the locks with helmsmen Del and Clare Nixon
Clerk’s Corner

It is good that we now have a full Council of members who are all keen to use their individual skills and interests for the benefit of Wolvey people. This means that there are a number of projects on the go at the same time - resulting in a corresponding varied and hectic workload for the Clerk.

Probably the most important current issue is the proposed development of a wind farm in our Parish. Planning matters always tend to be the most difficult and contentious part of Parish Council responsibilities because they can raise high emotions. They can also be very divisive, usually involving local people on both sides - the landowner who wishes to develop and the neighbours who will be affected. However, although the Council takes its responsibilities seriously, it does not have the power to make decisions on planning matters, and can only respond as a consultee - in the same way as all citizens of the Parish can. Planning decisions for Wolvey are made by Rugby Borough Council.

The Parish Council is elected to represent all residents of the Parish and it is, therefore, important that the Parish Council seeks to take a balanced approach. For that reason the Council decided to hold a Parish Meeting in June to inform residents of the proposed wind farm and to understand the feelings of the community before taking any decisions on how to act. The meeting was very well attended and the overwhelming majority of people there voted to object to this development.

However, such a large development is well beyond the experience of the Parish Council. It, therefore, decided to engage the advice of Avon Planning Services to assist with this. So far, we have received very little information from either Rugby Borough Council or the developers ASC Renewables. The only related planning application which has been received is one for a temporary 60 metre high meteorological mast to collect data on wind speeds, etc (R14/1106).

The Parish Council resolved to object to this application and, with the help of Avon Planning Services, has sent a letter to Rugby Borough Council explaining the reasons for this objection. This letter is available to view on the Parish Council website. The Parish Council will continue to keep residents updated whenever we receive information, so keep an eye on the noticeboards and the website.

For any information about the Parish Council, please contact me by email on parishclerk@wolvey.org or by telephone on 01455 246494. However, please remember that I only work part-time. The best time to call is Monday, Tuesday or Thursday mornings between 10am -1pm. If I am not available, please leave a message and I will get back to you as soon as I can.

Grants Bridge Gap For Wetland Walk

The WEG members received some very good news recently, the application for a grant to build the Wetland Bridge has been granted. The Rugby Rural Development Fund has awarded half of the total cost of the build, and Wolvey Parish Council will pay the balance.

Work has started to clear the site ready for construction to commence, with as little disturbance to plants and wildlife as possible in the Reserve.

The bridge is made of recycled plastic to match the existing boardwalk and will make a circular walk possible in the Reserve. We await delivery, and would like to thank everyone that signed the petition to help us make this project happen.

Keep on the Roll

The way you register to vote is changing. This is the biggest change to the way people register to vote in over 100 years. Your vote is important as it can influence the way things are run. Up to now, the head of a household has been responsible for registering everyone who lives there.

From 10 June, people in England and Wales will register as individuals instead, using the new system.

So, you must make sure that you are on the electoral roll, otherwise you might not be able to vote in elections and referendums in the future and you will have less of a voice.

Volunteers are needed to deliver this Newsletter.

If you can help, please contact the Clerk.

Want to report a problem? We have an app for that...

The Rugby App puts access to council services in the palm of your hand.

Rugby Borough Council now has a mobile web app which enables you to easily report environmental problems such as fly tipping, dog fouling, graffiti or a fallen tree. It supports most mobile and tablet devices, but if you have any problems please let us know.

Just take a photo and use the app and send it to Rugby along with your location.

This newsletter is published by Wolvey Parish Council. The term “Parish” refers to an ancient administrative unit. Its original boundaries were based on those of the church, but today’s Parish Council deals only with civil and not church matters.

The Council is the lowest tier of local government, elected by the people of Wolvey.
The Parish Council’s key actions for the year ahead are outlined below. A key aim of the Parish Council is to ensure that the services it provides are delivered in a timely way and reflect the needs of the whole community.

Its planning protocols are therefore designed to incorporate the views of as many residents as possible. To this end, responses from an Open Day and a questionnaire carried out in May, have been used to supplement the views received through the usual channels: PC meetings, correspondence with Clerk, one to one meetings with councillors etc. The collated results from the questionnaire are available on the web site (www.wolvey.org).

The Council will monitor the progress of actions against the specific target dates.

Qu 5
The Council has overseen a thriving Youth Club. Are there any other activities for younger residents which could be supported or promoted by the Council?

Skate park
A scheme for 8 year olds and under
Facility for young people to use scooters/skateboards etc
Youth club for younger members.
A resident (contact details on request) just built a school in Malawi. Links with the school & families there would benefit both our community and theirs.
D of E award, Gardening Club, with a plot to grow on collectively vegetables and flowers
Be part of a buddy system
Tennis coaching
Easy access to children’s play equipment
Cycling club
Youth shelter
Better/easier access to playing fields
Bob a Job Litter picking

Qu 6
Speeding is a constant problem in the village. Which (other) action/s do you think would be most effective?

I have on a number of occasions followed parish Councillors speeding, maybe they should lead by example. If there are no or a low number of speed related incidents then I feel we should save our residents council tax and continue to monitor with frequent police checks etc
No notice taken of speed signs-trafic calming like right of way islands
Paintings by children made into signs which are very powerful visually
Teach children to cross roads safely.
Traffic calming approaching Pailton
Give way priority, road calming 20mph eg Pailton
More flashing speed sign 30 mph
Traffic lights in Square.
Same as Pailton please
Average speed check
Rumble strips & road humps
Chicanes as in Pailton Wolston etc
Single lane passages
Car limiters
Car limiters
Sign which gives actual speed of drivers
More flashing speed signs for 30 m.p.h.
Start 30 sign at Axe & Compass also move 30 sign Coventry side of Wolvey further out with flashing sign

Qu 12
Do we have enough litter and dog waste bins?
If not where would you like them sited?

Bulkington Rd  Hall Rd
In the Square, Wolds lane past allotments and cleaned regularly
Wolds Lane spaced out as far as Woodwards Farm, bags of waste thrown in hedgerows all of the time
Wolds Lane
Coalpit Lane & Wolds Lane
Let people know where they are and enforce fouling laws
Further down Wolds Lane
Next to Bulkington Rd
Temp footpath
Bulkington Rd
Coalpit Lane
Heath

Qu 13a
Do you use the current bus services?
If never why?

Too infrequent
Company car
Company car
When last checked are expensive and timings not convenient
Travel by car
Have car don’t want pensioners subsidised
Use of car more convenient\prefer convenience of own transport
Own & run car
Own a car
Have a car
Car owner
Use my car
Too infrequent too expensive
Don’t run at useful times to where I want to go
Poor service, have use of car
Car owner, want to travel at times that suit me
Have car and work full time
Work full time buses to & from Coventry not as convenient as car
Do not run at times I travel
Own transport
Takes too long service to Hinckley unreliable
Prefer car
Access to car
Can still drive
Have own transport
We have 2 cars
In wheelchair
Fail to go where we want them to go and times
Work full time & use car may retire in near future and need more info as may use buses then
More info required
Use car
Not required at present
When can no longer drive
Own car much more convenient
Not convenient
Own car at this time
Own car
Need a car to get to destination – mobility problem
Have a car
Own transport

Qu 14
What would cause you to make more use of bus services?
New route to?

Hinckley Bedworth
Hinckley & Rugby,
Leicester, Birmingham/Coventry,
withdrawal of free parking at work
Ageing, Hinckley,
Lutterworth,
ageing,
Leicester, Leicester,
Hinckley,
Hinckley & Leicester,
pick up outside the school because I am disabled it very much easier than the Square.
Leicester, local shopping centres, Hinckley & Leicester,
Earlier 9.27am
Anytime to be without a car
Wolvey is only one of 7 parish councils in the whole of Warwickshire to be selected to take part in a pilot **Lengthsman Scheme.** This will mean the Council can make choices about how to improve the local ‘street scene’. Which of the following areas do you think is most in need of attention? Where?

**Weeds & roadside gullies**
- On main and side roads
- Lutterworth Rd/ Leicester Road
- Pipers End
- Pipers End
- Coventry Rd
- Coventry Rd
- Axe & Compass roundabout

**Weeds on pavements**
- Coventry Rd
- Jitty Bracken Drive Playing Fields,
- Entry between school & Bracken Drive

**Overgrown footpaths**
- Whole length Hinckley Rd
- The Row Temple Hill
- Bracken & Brookfield Drive

**Blocked roadside drains**
- Church Hill  Everywhere
- Bottom of Moat Lane
- Church Hill
- Wolds Lane
- Wolds Lane
- Throughout village

**Dirty street/roadsigns**
- Various locations.
- Approaching Axe & Compass from village
- All over village and too many signs in Square.
- Trees & shrubbery Meadow Close Fern Hill Way Hall Lane
- All of these areas should be a consideration

**Overhanging hedges**
- Baptist Chapel
- Thatched cottage opposite Square laurel encroaching about 10” over & conifers over footpath where fencing moved in Orchard Close & between nos 1 & 2.
- L.H.S. just passed Moat Lane
- &trees Bulkington Rd.
- The Square & Bulkington Rd
Leicester Rd & The Square,  
The Square

Other
Paintings by children to help drivers connect with speeding and child safety  
More important to improve pot holes outside school as very dangerous to cyclists.  
Overgrown grass verges all entrances to village  
Playing fields.  
Remove pub signs/adverts  
Pot holes to be repaired

Qu 20
a) What is good about living in Wolvey?

Quiet, secluded  
The close community  
Good environment nice community spirit excellent environment for children families and elderly  
Quietness, calming environment  
Peaceful  
It’s a quiet and friendly village with great schools  
Still has a PO, local walks  
Community spirit feel safe to walk at night  
Community spirit  
Friendly village  
Local environment  Number of societies & clubs  
Rural community  
Community spirit & great surroundings  
Too much to mention not enough space  
Just love it all  
Quiet friendly  
Sense of community  
Peaceful rural setting  
Post Office, sense of community, nice people  
Greenbelt land is not being built on  
Excellent community spirit, fab amenities  
Community spirit – Picnic was excellent  
The feeling of being part of a large family/community that respects everyone  
Rural village atmosphere  
Quiet friendly  
Lovely people, friendly community, good environment *this would be severely compromised by the proposed wind turbines  
Quiet & peaceful  
Quiet, activities for people to join, gardens and spaces  
Friendly residents generally  
Friendly people, good access to UK  
It’s a small compact village with little crime and a good community spirit  
Community spirit & rural location
Community spirit
Community spirit
Community spirit local shop
Generally good
Rural setting
Friendly environment
Happy & friendly if you join in
Beautiful & lovely neighbours
Friendliness
Just very pleasant
Community spirit country air
Friendly caring people plenty going on
Peace quiet and clean environment
The people and facilities
Social activities
Lived in Wolvey 50 yrs and wouldn’t want to be anywhere else
Good community
The people
Wolvey is a lovely central village
Quiet, feeling of community
Rural aspect, 3 good pubs, walk, dr, general store & PO
Quiet, clean, good people
The green spaces and community spirit
Friendly & peaceful
Friendly people
Friendly active village
Community
Quiet but friendly neighbours
Close knit community, facilities but still a village
Friendly & quiet
Community & Activities
The facilities WI O60’s
Rural friendly village
Friendly people, PO/shop pubs
The friendly atmosphere
Pleasant village, close to several towns
Its size and walks
Social activities
Small & friendly, many activities
Great village, good people
Feeling of community, lots of groups and activities
Generally peace & quiet
It’s a friendly and pleasant village
The community spirit when needed
I love it (and I can’t change a thing)
Living in a village with a good community spirit
Village life
b) What would you like to see improved?

Skate park for younger people
Broadband speed and skate park
Park has had some excellent upgrades/changes recently but maybe more funding could benefit the sports and other activities that are held there. Think it is an asset to the little village.
Bus frequency, internet speeds
More parking for the parent at school times
Prevent motor cycle race track on Sundays
Nothing
Public transport
Reducing annual increases in PC tax
Reduction in traffic & speed of traffic
Inter-generational activity
The village hall
Traffic speed
Traffic speed
More community events geared towards people who work walks etc
NB Playing Fields committee should have contacted village residents before taking decision to cancel show
Village hall
Our recognition of just how lucky we are and our process of welcoming newcomers into the village
Road surfaces pot holes
Strict planning regulations to preserve green belt
No wind farms
If we can’t have a summer fete, can we have a village picnic like the Jubilee
Speed of traffic through village Litter problem on outskirts of village
More affordable housing
Nothing
Less intensive infill new builds with tiny gardens and inadequate parking
More nuisance noise awareness eg. dogs left to bark at passers by often late at night before 8am
Congestion & inconvenience of parents parking their vehicles outside the school on Bulkington Road & Bulkington Road Estate
More ‘affordable housing’, we need to attract young people/families
Less traffic
Buses
Speeding through village
More people joining in
There is always a need
Road speeds, more low cost housing
Speeding and heavy lorries in Mill Lane including quarry lorries
The local garage
Village Hall exterior
Encourage new ex ‘town dwellers’ to take part in village life
Village Hall
Good food in pubs
Ban parking on pavements
Rates reduced
More community events
Nothing
Problem with school parking “accident waiting to happen”
Stiles, gutter clearance, footpath over hangs
Slower through traffic
Reduction of HGV speeding
Totally inadequate facilities in Village Hall and awful appearance – days of make do and mend long gone
Involvement of younger residents in PC and associated activities
A few more street lights
Affordable housing for young residents
Affordable housing for young people to move into
School parking in Bulkington Rd
### Wolvey Action Plan 2014 -15
